Dear Mr and Mrs. Scharf,

It is my pleasure, on behalf of the participants, Board of Directors and the staff of Cosmopolitan Industries Ltd., to express thanks and appreciation to your company for contracting with our organization to package the "**HEAVENLY FRESH ODOR ABSORBER**". This contract has opened up new opportunities in terms of blister packaging.

As you are aware, Cosmo Industries provides a day programme for 365 adults who live with mental and /or multiple disabling conditions. We strive to assist them to meet their productive potential and to contribute to the economic fibre of their community. This new venture has brought excitement, new possibilities and most importantly a sense of satisfaction to everyone associated with the project.

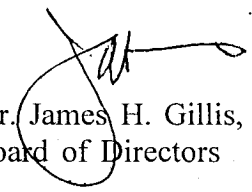

It is our sincere hope that this will be the first of many joint partnership arrangements between Scharf Holdings and Cosmopolitan Industries. We pride ourselves on doing a **First Class Job, Meeting Delivery Schedules and giving our customers total satisfaction.**

Thank you for this opportunity to become one of your partners in the business community.

Yours truly
