Dear Mr. Scharf:

Re: 1992 CHS Packaging Award - Housewares Category

CONGRATULATIONS!

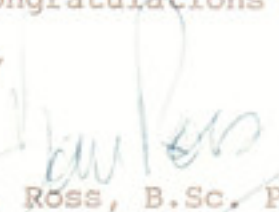

The 1992 edition of the Canadian Hardware/Housewares/Home Improvement Show is history - but it will be remembered as the year that your firm won the major award noted above. I'm sure that you will take great satisfaction in seeing your firm's innovation and creativity recognized in this way by our distinguished panel of judges.

You are quite free to use the award in your marketing program. Enclosed are photographs for your use. If you require additional prints or information, simply call our Show Department and they will facilitate your request with our agency.

Now all you have to do is to try to win again next year.

Again, congratulations and good luck.

Sincerely

Thomas M. Ross, B.Sc. Phm., M.B.A.
Executive Director
