Dear Brunna & Jim

Congratulations on being named in Gourmet Retailer's Aisle by Aisle Report as a Best Product at The Gourmet Products Show. We're delighted that your line was singled out from the thousands of products on display.

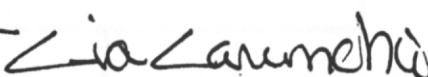

We are already putting together exciting plans for next year's event that celebrates the 20th anniversary of the Gourmet Good Life Style, and we look forward to working with you again.

Please call any one of us if we can be of assistance.

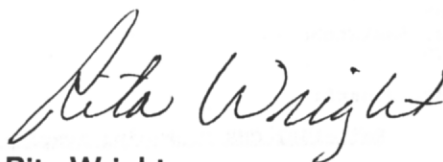

Best regards,
